

Eco-Dent[®] TerraDent[®]

Replaceable Head Toothbrushes

- Patented 1-click system seats replacement head firmly and easily
- Thermo-welded head reduces bacterial load found on normal toothbrushes--hygienic
- Flexible handle allows pressure regulation
- Bristle field optimized to reach hard to brush areas
- End-rounded bristles protect delicate gums and teeth
- Environmentally beneficial saves enormous landfill space by disposing only of heads
- Re-usable handles save production resources
